'81 - We're Only Here For One More Year

The Junior class, working with plenty of enthusiasm and determination, tried to leave their mark in St. Paul history. A good amount of effort went into making the Homecoming fairly successful. On Ring Day, the class of '81 took a step up the ladder in becoming a better school. The year ended with the seniors putting on an unforgettable Junior-Senior prom. With their unforgettable spirit, the class of '81 should prove to be something special in the year to come.

Junior Involvement

Ever ask yourself what the Junior class did this year? They did almost everything imaginable. Nothing was too small for the class of '81 as they made their presence most evident in the St. Paul community. Pep Squads, performing squads, band, clubs and sports were indulged in with great fervor. Each member of the Junior class could not help but feel emotion as they joined wholeheartedly in all the action on campus. No one could deny that the Junior class was an important part of St. Paul. With such hard work and determination, the class of '81 will make their last year a memorable one.

Ring Ceremony

Ring Day was a highpoint of the year for the Junior class. It was clear that they were now upperclassmen and the excitement of the whole occasion was evident on the face of each person as he came close to receiving his ring. After the ceremony there was a great rush to get to that special 81st turn. It was a moment of happiness and closeness among all members of the Junior Class. Their new rings were a symbol of their importance at St. Paul. Ring Day will always remain a special memory in the minds of our Junior Class.

Sophomores Look Toward The Future

The H_{α} line is a spectral line of hydrogen. A hydrogen atom emits light of a certain wavelength if it drops from a higher energy state to a lower energy state. The energy levels of a hydrogen atom are given by $E_n = -13.6 \text{ eV} / n^2$, where n is the principal quantum number. The energy difference between the $n=3$ and $n=2$ states is $E_3 - E_2 = -13.6 \text{ eV} / 3^2 - (-13.6 \text{ eV} / 2^2) = -1.51 \text{ eV}$. This energy difference corresponds to the energy of the photon emitted during the transition, which is $E = hf$, where h is Planck's constant and f is the frequency of the light. The wavelength of the light is given by $\lambda = c / f$, where c is the speed of light. Substituting the values, we get $\lambda = c / (E / h) = hc / E = (6.626 \times 10^{-34} \text{ J s}) (3.0 \times 10^8 \text{ m/s}) / (1.51 \text{ eV} \times 1.6 \times 10^{-19} \text{ J/eV}) = 6.56 \times 10^{-7} \text{ m} = 656 \text{ nm}$. This is the wavelength of the H_{α} line.

Spirited Sophomores

The spirit of St. Paul has been one of the most spirited and active ones in St. Paul history. Throughout the year, the spirit squad has been busy. They are about St. Paul by their faithful support of school activities. They participated enthusiastically in

dances and roller skating. They played a large part in the March for Hunger, the food and clothing drive, and group projects. Their cheer and interest in St. Paul High was evident throughout their involvement.

Freshmen Ready To Learn

The Freshmen Class at St. Paul deering is ready to be the part of the school family. They were welcomed with their way in by receiving their first class book and a card with which to introduce themselves to the school. As they enter the school and public school, they are ready to learn and make new friends. The first class book was the first class book of the school. Freshmen Orientation

The orientation was a different experience for the class of '83. There were new students, teachers and rules, a whole new thing. But the class was not the same. The changes didn't take them very long to learn the rules and the ways of the school and they soon became part

of the St. Paul family. Before they could become full fledged members, they had to complete an initiation. They had to reare the Alma Mater to twenty seniors and receive their signatures. After completing this assignment, the class of '83 became an accepted part of St. Paul High School.

Spirit Of Elections

The Freshmen Class showed a spirited involvement in representing their class. They had a large number of people willing to put their efforts into making the Freshmen Class a working part of St. Paul High.

Congratulations to the new officers and all those who participated in the elections. Hopefully this kind of response and enthusiasm will continue throughout their years at St. Paul in both class and school elections.

Teachers And Friends

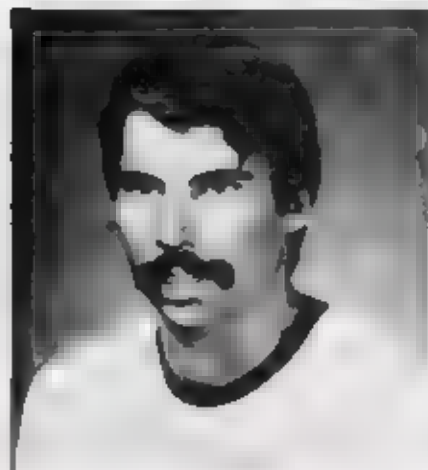

This year's faculty consisted of men and women working towards a common goal to reach the students of St. Paul to the best of their abilities. They encouraged students to build lasting foundations to make their futures become realities. The faculty not only gave of themselves through teaching but also by moderating clubs, coaching sports, and tutoring students after school. Faculty members were our friends as well as our teachers.

Homecoming '79 "A Time For Us"

Reflection Of Perfection

This year's squad has achieved more than just success, but the dedication, hard work, and the beginning of the cheerleader's career will be a memory that will stay with them forever. Their hard work will be reflected in their future accomplishments and the memories of the cheerleaders who will always remain in the hearts of the Varsity Cheer Squad of 1980 will remain in the hearts of those who saw them. They will always be remembered to the end of time.

From left to right: Marybeth, Cindy Hurtado, Jo Ann, and the rest of the Varsity Cheer Squad.

Rockin' To The Beat

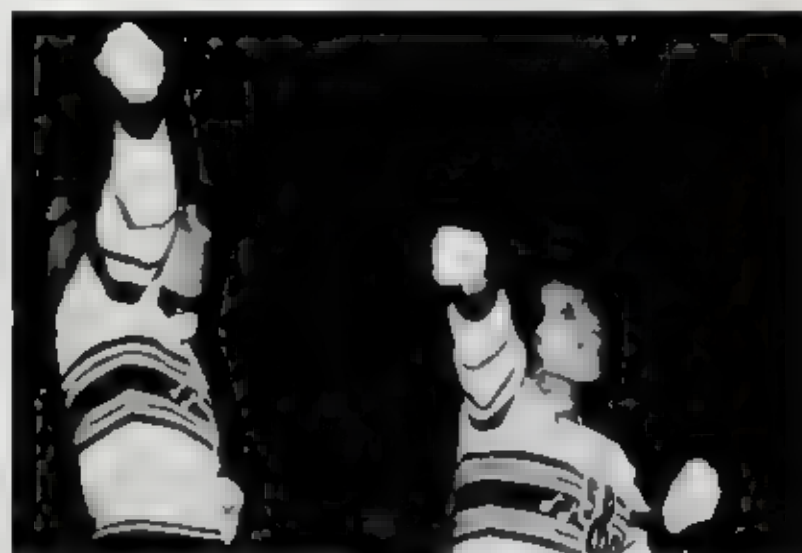

The year the J. J. Genders arrived to be a missionary at Spring Lake, the Sr. Paul community. They were a group of people that had been summering at the beach and then they decided to defect their religion. They exhibited their great desire to be under the rule of the Holy Spirit, and when they were protected. The J. J. Genders either used the name of the Holy Spirit or the Holy Spirit to help them.

St. Paul Choral Groups Sing Out

Tarsus

A group that used their talents in a constructive way this year was Torus. Torus members projected their Christian feelings and attitudes through song. Moderated by Mr. Steve Grundy and headed by president Sharon Flamm, the group of 18 members sang at all campus masses, the dedication mass for CCD teachers at St. Mary's and several weddings. They went on a retreat in January to learn new music and simply reflect on what they felt their music should convey. They are truly a group of people who enjoy praising God with the gift of song.

Drama Club Has Playful Year

A scene from the play "By Your Side"

Actress in "By Your Side"

Actress in "By Your Side"

The Drama Club played a grand success and brought in your order the director of Mr. Purvis. The first production, "By Your Side" was first, followed by "The Last Days of Pompeii" and "The Last Days of Pompeii" followed by a department of the club. There are many events may be held with the help of refreshments and games and dances as well as selling God bless us all. The year is over. Even though the Drama Club has been in existence for 15 years, it has never felt the same interest and energy of its first divisions.

Lumen

We the members of Lumen staff
Would like to tel to you
A little story about ourselves
And what it is we do

Writing, cropping, bleeding
Each day becomes a chore
Sometimes the book is interesting
Sometimes it is a bore

The ads, the clubs, the classes
Patrons, faculty, sports
Layouts, captions, pictures
Ideas of every sort

The names must all be spelled right
Each word must be a gem
One tiny, little slip up
And we do it all again

The last bell ring, at 2:14
Our day has just begun
Deadlines to meet, appointments to
keep
You can't imagine the fun

The final day has come and gone
The books are all passed out
But where's our faithful Lumen staff?
Not one of them lurks about

You'll find us in the yearbook room
Relaxing one by one
We don't want to see another book
That's all 'til '81

Library Guild

The ten members of the Library Guild and the two volunteers worked before, during, after school and during the day to keep the library organized and running smoothly. They helped new books, stories, magazines, CDs and assist Mr. Fleming and Mrs. Gerz.

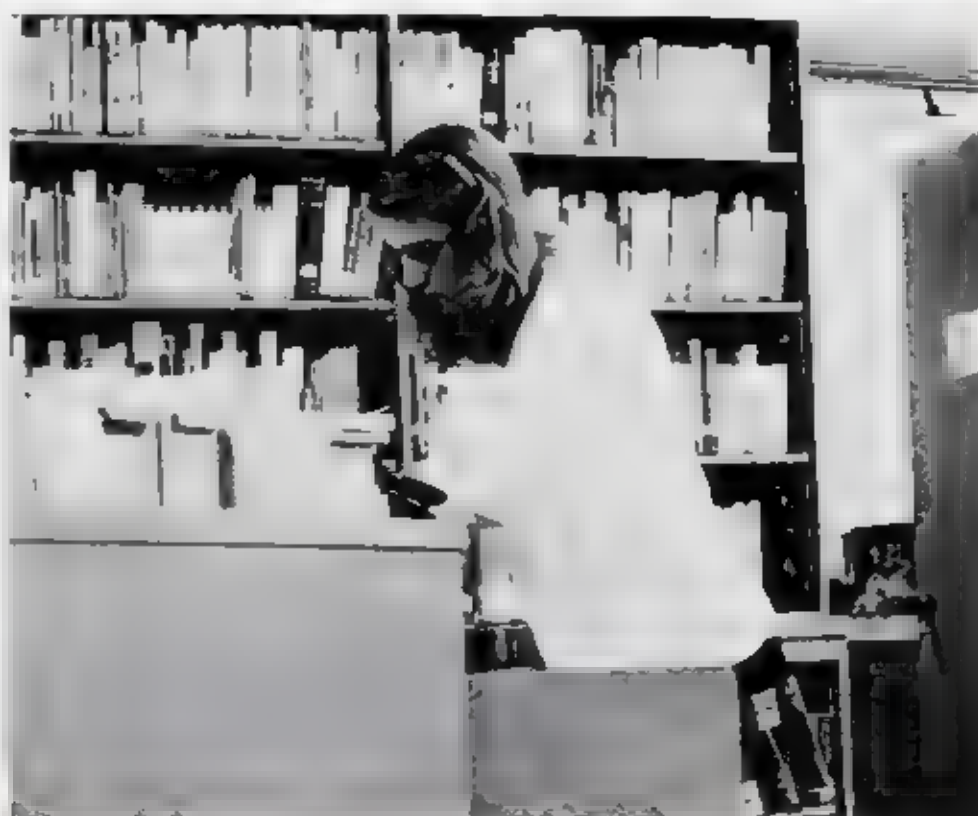

The members made time in their busy schedules to have time for winter yearly Christmas Party Family Tea and their annualize well party for the Senior members. They also helped to have fund raiser for new records and many more.

The Secretary's Club, moderated by Mr. Oswald and Mr. Armstrong, worked very hard this year raising money to buy new equipment for the Business Department. Funds were raised by participating in many activities such as bake sales, Valentine grams, and the Father-Daughter Dance. During the holidays they sold Christmas cards and co-volunteer hours and supported the Fund Drive. The members also attended field trips to different businesses to see how offices function. This made them aware of what their duties as secretaries could be in the future.

French Club Ready To Take-off

The French Club, moderated by Mr. Melnick, was very busy this year. They held fundraisers and participated in activities to raise enough money for their trip to France in 1981. Meetings were held twice a month including members practicing their French and learning more about the French culture. They also held a fundraising dinner and a French reception. The group sponsored a service project during Christmas time and presented the library with new books. With its determined and enterprising members, the club will surely see its future goals become realities.

Members received trophies from the bowling league for their participation as individuals. By the end of the year, members of the Bowling Club had improved their own game and perfected their skills.

NHS/CSF

The purpose of NHS/CSF is to get the students involved in service within the school community and receive enthusiasm for scholarship. The members of these two honor societies must have a high grade point average, thus maintaining the high standard of education at St. Paul. The members of these two groups under the direction of their faculty participated in many activities such as: a Night at Disneyland, parents' business school, Night and Eight grade visit. Only NHS participated in a Quiz Bowl or National Night. For the first time this year, an induction ceremony was also held in honor of the NHS and CSF members.

This Club Raises A Racket

Sheer enjoyment is what the young Racquetball Club was all about. The Club, moderated by Mrs. MacCracken and Mrs. Romme, established an understanding of the game and members kept themselves physically fit. Besides playing racquetball, the club visited a convalescent home over the holiday, held fund raiser, and participated in interclub tournaments. Because of the increased popularity of this sport, the Racquetball Club will have an encouraging future!

Surf's Up At St. Paul

Not since Jan and Dean and the Beach Boys has there been a club like this. Headed by Miss Peterson and Ms. Ramshaw, the twenty-five members hit the surf at Oceanside and San Onofre to catch the perfect curl, not to mention the perfect tan. Besides picking off the lip, they showed outrageous surfing flicks and went on field trips to the hottest surfing spots in Southern California. Surfing is one of the most exciting sports around and the Surfing Club is definitely one of the most exciting clubs on campus!!!

J.V. Basketball Gets Tough

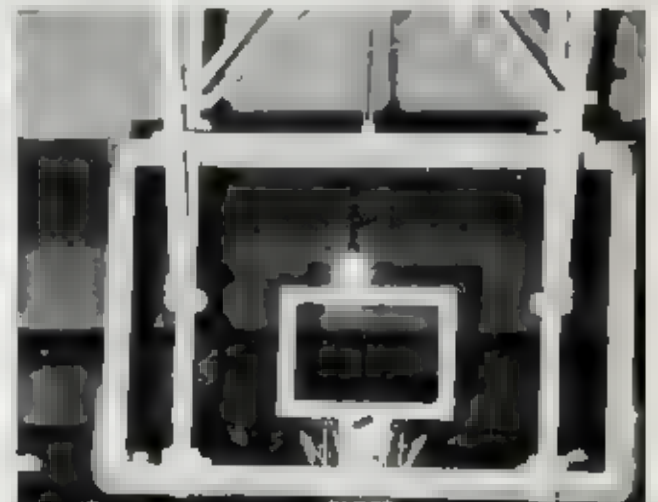

The J.V. Basketball Team began their season with a very positive outlook. With returning J.V. players, Juan Flores and Dominic Santana, and from Soph, Fresh levels, Tim Crowley, Kevin Watkins, Jere McDonald, and John Quiroz, the J.V. had a talented starting lineup. Under the coaching of Mr. Bill Holley, the hard workouts and tough training paid off in the success of court play. The pre-season was highlighted by a close game against Carpinteria, where St. Paul won in overtime. League competition was tough, but the Swords men made a good showing, and the enthusiasm of the players set the pace for an exciting overall season, where the defeats were seen as a chance to improve and the victories looked upon with St. Paul Pride.

Girls' Varsity Team Shows Spirit And Class

Now let 'em try to get a basket!

The 1979-1980 Girls' Varsity Basketball season was one of many ups and downs, as well as a learning experience both as a player and as a coach. Having learned what it takes to be a #1 team, the girls did the best that they could.

If there were ever a team where everyone played together and worked hard and had fun, it was the St. Paul Girls' Varsity Basketball Team for 1979-1980. It was!

Learning to play with teamwork and experience, the girls learned the hard way that it's not just about winning and losing, but about the joy of playing varsity basketball with high hopes for next year.

Varsity Soccer Comes Through

This year's Varsity Soccer Team was the picture of talent, youth and hope for the future. The Varsity squad, which consisted of four seniors, four juniors, eight sophomores and two freshmen, entered into the first year of the newly formed Angels League Soccer. St. Paul opened this season with appearances in two of the most competitive high school tournaments in the Southland, the Alemany High School Tournament and the Huntington Beach Tournament.

The seniors on the team provided the necessary experience for the younger players. The players of this team proved that the forthcoming seasons will be very bright.

OH Dani.

I just don't know how to start this year book. You know we've been through so much together. Gee remember when we use to talk about our problems, boy thanks a lot for being there! Having you there was a huge help. Remember that party at your house, that was great. Remember going to the drive-in to watch that gory movie. I just want to tell you that you are the nicest, sweetest, and caring person. And I wish you the best of luck in the future, especially with the (guys). I know that you'll be happy with any kind of choice you make in your life. I really hope that we can go to Hawaii together. We can part-yy for ever! And for sure we'll go out either dancing or partying! I wish you would get your phone fixed so I can call you. When I move up to the mountains, you can come up and ski and party with us, whenever you want to come. Gee Dani there is so much to say, and I have no more room. But anyways I want to thank you for everything that you've done ^{for} me! Let's stay in touch, 941-6053

Sue Cuellar

Dameen,
you're a bitchin'

John Boyan, my words. Let me
have to get together and have a
great party! O.K.

you do! you should go for being
a professional lawyer you
could do it!
Love ya
Despards

Dani,

Although I am only a lovely junior at this time, I will soon become a senior and I can understand how ecstatic you must be. High school memories are the worst; I can guarantee that all you'll remember of St. Paul's is the rotten teachers, rotten food, and rotten activities. In fact, the best memory you could have would be of me. (Just joking) I wish you all the happiness in the world. Good luck to you.
